## HIRE FOR THE FUTURE

Helle has a different approach to recruitment. Since the pace of business moves so fast and the companies are struggling to hire, she can help by doing the analysis and capability mapping of the companies needs and best-fit roles for the future. Every company needs to face how technology can enable the business strategy.

## AGENT FOR TOP LEADERS

Denmark needs a new approach to hiring. Helle works as an agent for top leaders to find the best possible match to their career development. Just like the sports world, where agents find and negotiate the best fit club for the football or handballplayer. Btw – Helle had a long handball career in the 1st Liga before playing herself into the Digital/Tech/IT arena.

## ABILITY TO FIND TALENTS

For a long time Helle has been searching for the right tools to identify talents. Play Your Talent is a fresh, modern and easy adoptable solution and Helle has chosen Play Your Talent to discover Talents and best-fit candidates above all other tools available in Denmark. We can shorten the recruitment process for both candidates and clients, and they can even use it afterwards – USPs time, usefulness, fun and quality.

## HELLES TOP TALENTS

- Innovative – dynamical thinking, creative
- Strategic – excellent at finding solutions for a succesful outcome
- Coordination – make the complex simple, help other to see the bigger picture, project management

*“We know technology can enable business strategy, but not always how. Doing the analysis and mapping for the future is your best tool in creating a fit and talentet organisation to rule the world in your business area.”*
