

Amalie Folkenberg

Founder of www.amaliefolkenberg.dk
Professional Keynote Speaker, Life and Business Coach.

During the past year, Amalie has inspired more than 5,000 people with her lectures and coached more than 400 people. She has 10 years experience within sales and are passionate about helping people realise their dreams and put their talent in to play.

DO YOU BELIEVE THAT ANYTHING IS POSSIBLE?

Amalie believes that anything is possible. She always got told that things were not possible, but now she has spoke for more than 5000 people, coached more than 400 people and start her own company. Now she has a mission to help people and organisations to put their talents in to play in order to make sure that people are using their full potential so we can create the highest amount of results and value for ourselves and our company.

COACHING

I am certificated ACTP Life and Business Coach at Sofia Manning. I have coached people 1 to 1 and in teams. I have been coaching different people including students, employees, leaders, CEOs, companies, and start-ups. I focus on possibilities and with my innovative and positive mindset together with my empathy and my professionals tools, I can help you focus on possibilities instead of obstacles, so you can go after the things that you dream of and want to achieve.

SPEAKER

Amalie have spoke for more than 5000 people. She speaks about "Anything is possible", "Take control over your communication and your own brand", "How to pitch yourself", "Realise your dream", "Motivation and potential", "Take control over your mindset", "How to use your talent" and many more. She inspires and motivates with her positive energy and mindset saying that everything is possible.

*"If you believe in yourself
anything is possible."*

WHAT ARE YOUR 10 TOP TALENTS?

4 out of 5 people are not aware of what their talents are. Play Your Talent covers your company's talents and potentials in just 12 minutes. It is a lightweight strategic tool that is easy to implement. If you want to create plus on the bottom line and put job satisfaction, motivation, and good energy at the top of the agenda, then Play Your Talent is the right tool for you.
